About Us.

Azzurro Facilities Management has been a trusted leader in the UAE since 1993, delivering tailored facilities management solutions across sectors like government, education, industrial, healthcare and residential. With a team of over 5,000 skilled professionals, Azzurro is one amongst the leading facilities management service provider in the region. Azzurro combines service excellence with a commitment to sustainability through its "Green Steps" initiative, promoting environmental responsibility.

By producing GMP Certified Green Chemicals in-house, Azzurro integrates eco-friendly practices into every service, ensuring a cleaner, greener future for all. Over the years, our growth trajectory has seen us expand our footprint, with branch offices strategically located in Sharjah and Ras Al Khaimah. Boasting a dynamic team of over 5000 personnel, Azzurro Group is committed to catering to a diverse range of business verticals, including government entities, industrial sectors, integrated workspaces, educational institutions, residential areas, retail spaces, and mixed-use developments.

Our Values.

Mission & Vision.

MISSION

"Our mission at Azzurro is to provide exceptional facility management services characterized by simplicity in process and advancement in execution. Through continuous innovation and a client-centric mindset, we strive to exceed expectations and set new standards in facility management."

VISION

"Our Vision at Azzurro is to redefine facility management by delivering resilient, client-focused solutions that adapt to evolving needs, ensuring seamless operations and sustainable growth".

CEO Statement.

As the CEO of Azzurro, I am incredibly proud of the journey we have embarked on together as a team and as an organization. At Azzurro, we are committed to redefining excellence in facility management by consistently delivering innovative, sustainable, and tailored solutions that meet the ever-evolving needs of our clients. Our success is rooted in our unwavering dedication to quality, integrity, and the collective effort of our passionate team members.

We understand that the environments we manage play a critical role in the lives of those who use them, and we take this responsibility seriously by prioritizing safety, sustainability, and customer satisfaction in all that we do. As we look to the future, we are excited to explore new opportunities, embrace technological advancements, and continue to lead the industry with purpose-driven initiatives. At the heart of our mission lies a commitment to not only deliver exceptional services but also to contribute positively to the communities we serve and the environment we live in. Thank you for trusting Azzurro as your partner in excellence. Together, we will continue to build spaces that inspire and thrive.

Dr. Suma Velekat

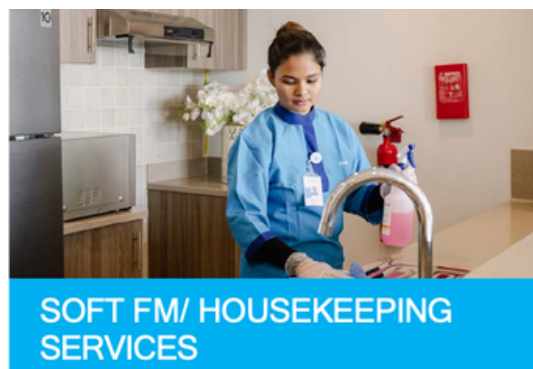

What Do We Do.

With three decades of outstanding service, we have solidified our position as one of the trusted independent provider of Total Facilities Management in the UAE.

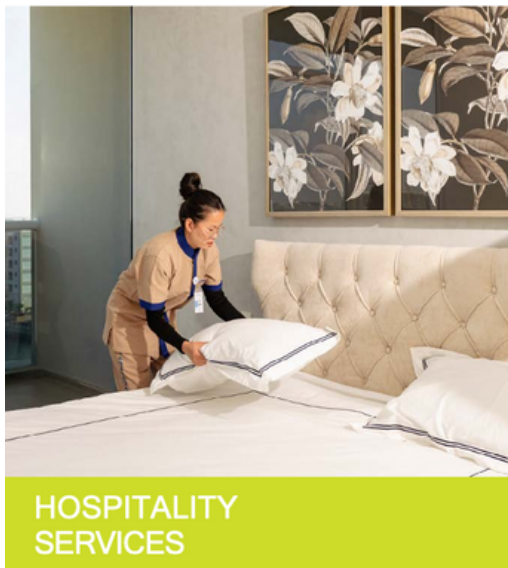

Our dedicated team of technicians and engineers ensures high-performance facilities management with minimal disruption for building owners, tenants, and visitors.

We manage complexity across various contracts for large retail, commercial, and residential portfolios, maintaining consistent standards tailored to each stakeholder's specific needs.

Specialist Services.

We manage complexity across various contracts for large retail, commercial, and residential portfolios, maintaining consistent standards tailored to each stakeholder's specific needs.

Azzurro emerges as the perfect choice for specialized water tank cleaning services. Our highly trained technicians employ state-of-the-art equipment, ensuring a meticulous and thorough cleaning process.

A trusted choice for pest control, we safeguard both large corporations and civilians with modern technologies and certified pesticides, ensuring effective and reliable protection against pests.

Sustainability.

Azzurro Group also produces a range of cleaning products in-house at our GNP-certified facility, including all-purpose cleaners, antiseptic disinfectants, bleach, floor cleaners, glass cleaners, liquid hand soap, carpet shampoo, and toilet bowl cleaner and all our products meet GNP certification.

Our “Green Steps” campaign reflects Azzurro FM’s commitment to environmental sustainability. Through this initiative, we’ve implemented eco-friendly practices such as waste reduction, water conservation, and energy-efficient operations across client sites.

Our Training.

At Azzurro, we prioritize continuous training and development to ensure our team delivers exceptional service with the latest industry knowledge and best practices.
